Our commitment to helping students realize their full potential begins when a student enrolls at The Montclair Cooperative School and culminates in the student's eighth grade year with the transition to high school. Co-op students are known to be confident and enthusiastic students, involved in extracurricular activities as well as service-oriented pursuits on and off campus. As a result, Montclair Cooperative School students have an excellent record of acceptance at secondary schools. Listed below are just some of the secondary schools at which our students have been accepted and matriculated during the past five years:

Montclair Kimberley Academy
Seton Hall Preparatory School
Green Meadows Waldorf School
The White Mountain School
The Masters School
St Peter's Preparatory School

Saddle River Day School
Newark Academy
The Hudson School
The Purnell School
Trinity Pawling School
The Calhoun School

The Montclair Cooperative School is also proud of our students' college acceptance and matriculation. The Co-op had our first graduating Eighth Grade class in 2005. Our students graduate with a strong academic foundation and continue to be the intellectually curious young adults they were upon their graduation from MCS. Montclair Cooperative School students have gone to attend the following colleges and universities as well as many others:

Harvard University
Bennington College
Columbia University
Macalester College
Massachusetts Institute of Technology
Parsons School of Design
Skidmore College
SUNY New Paltz
