Chess is a fun and challenging game to play! The Montclair Co-op School's 2017 Summer Chess Camp is for beginners and experienced players who will be in grades 2 through 7 (from any school) in September 2017.

Campers will receive daily "mini-lessons" and hone their chess skills by playing practice games with their peers. In addition to playing chess, campers will play a variety of board games, puzzles, and participate in outdoor recreational activities.

Chess camp and tournament director **Steve Moctezuma** has conducted summer camps and chess enrichment classes throughout the region for many years in public and private schools (including the Montclair Cooperative School).

For more camp information, contact Steve Moctezuma at stevem@montclaircoop.org or see application on line at www.montclaircoop.org
