Our commitment to helping students realize their full potential begins when a student enrolls at Montclair Cooperative School and culminates in the student's eighth grade year with the transition to high school. Co-op students are known to be confident and enthusiastic, involved in extracurricular activities as well as service-oriented pursuits on and off campus. As a result, Montclair Cooperative School students have an excellent record of acceptance at secondary schools. Listed below are just some of the secondary schools to which our students have been accepted and have matriculated to in recent years:

Gill St. Bernard's School	Saddle River Day School
Glen Ridge High School	Seton Hall Preparatory School
Green Meadow Waldorf School	St Peter's Preparatory School
Immaculate Heart Academy	The Calhoun School
Kent Place School	The Hudson School
Montclair High School	The Masters School
Montclair Kimberley Academy	The Purnell School
Morristown Beard School	The White Mountain School
Newark Academy	Trinity Pawling School
Pingry School	Verona High School

Montclair Cooperative School is also proud of our students' college acceptance and matriculation. The Co-op had our first graduating eighth grade class in 2005. Our students graduate with a strong academic foundation and continue to be the intellectually curious young adults they were upon their graduation. The colleges and universities that Montclair Cooperative School students have gone on to attend include the following:

Amherst College	Oberlin College
Bennington College	Parsons School of Design
Brown University	Princeton University
Columbia University	Rensselaer Polytechnic Institute
Dartmouth College	Sarah Lawrence College
